

# MW Movielux screen

**MW Movielux screen mobile exhibit,**

Non-New

The screen for your home theater in the "Flight Case"

The sophisticated aluminum casing also accompanies you on trips and set up anywhere in seconds for the perfect large-screen projection.

Two shear joints keep the highly reflective screen surface taut and always plan tight for the curious image untarnished enjoyment. The black border of the screen surface in video format 4:3 is a contrasting picture completion.

Mass

HxW 120 x 160

200cm diagonal

Screen surface

- very high reflectance (not just white coated canvas) for optimal black
- black laminate for Picture area boundary
- for data and video projection (DVD - Video - Dia) recommended

Screen technology

- well-designed aluminum case
- backside shear joint plan for an always tense screen surface
