Studio Professional MacOS

PDF Native PDF input and PDF output

The soon-to-learn alternative to:

Creo Preps Plus Heidelberg Signastation,
DK & A InPosition

Trial and descriptions can be found here: [website of the manufacturer with the ending co.uk](#)

Execution:

Studio Professional Version 4.03 UK, according to File-> Information in the Macintosh Finder. The program is really called "Imposition 1.4 Pro" and has a German user interface for Apple Macintosh iMate ADB dongle adapter to power the dongle to the USB interface included currently registered:

Brakensiek Systemhaus, Dortmund

ADB Dongle Mac
iMate Adapter

Backup CD's of the installed version with dongle, program drivers license file / Preference File System Folder>
Preferences instead license code

The maintenance contract has expired!

The manufacturer recommends taking out a maintenance contract, then you can download updates / drivers from the Internet.

In Germany, I recommend a support company, the company BEHLE 07 524 97100th PrePress GmbH Those offer the maintenance and training.

Imposition Publisher Digital imposition for Heidelberg, MAN Roland printing presses and other printing presses and digital presses such as Xerox and IBM. Farrukh Systems Limited is an innovative software company that focuses entirely on the graphics industry. The world famous Imposition Publisher™ product family is used in the commercial printing market and in the newspaper industry.

We are the leading supplier to the printing industry for imposition solution and the only manufacturer of single - and client / server - applications.

Whether you use now a CTP system, a digital press or an imagesetter that Imposition Publisher™ products Farrukh Systems are easy to use, with an intuitive user interface, so you can get the job done quickly and efficiently.

Imposition Publisher Studio Professional is very flexible and supports a large number of imposition and finishing processes and is compatible with more than 90 DTP and word processing programs.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
