

Agfa Pro Set 9800 mit 2 Ausgabekassetten

Agfa Pro set in 9800

Double-Laser exposure unit of the company AGFA with 2400 dpi max.

without RIP

We have bought it at a print shop in Cologne and sell it here without RIP.

The device begins, warms up itself and then goes on-line.

2 issue cassettes and an input cassette are in the scope of supply, but nothing else.

The device is optimum as a spare part machine for somebody who already has the same exposure unit.
