

Contex FSS 8300 DSP Full Scale Scanner

Contex FSS 8300 DSP Full Scale Scanner

(not-new, used)

Interface: SCSI

The Contex FSS 8300 DSP Full Scale Monochrome scanner is a cost-efficient and high-performance solution for the quick scanning of large amounts of drafts.

This compact machine allows the capturing and administration of scanned documents. Sketches of dimensions up to 1016 mm (~40 inches) and standard Din A0 formats are automatically sampled at a rate of 914 mm (~36 inches). With the Contex FSS 8300 DSP you can digitalize documents on various media and convert them to CAD files, archive them or integrate them into highly developed GIS applications.

Technical Data:

Sensors: 2 x CCD

Resolutions (dpi): 800, 600, 500, 400, 300, 200, 150, 75, 50, 25

Draft width: 153 mm – 1016 mm (~6 inches – 40 inches)

Scan width: 914 mm (~36 inches)

Scan length: not limited by scanner

Scan speed: at 400dpi turbo, 24-Bit RGB 3"/sec (7,6cm /sec) (~3 inches /sec)

Scan Modes: 256 Greyscale (8 Bit) Black-White (1-Bit)

Copy Modes: Black-White and Greyscale

Digital imaging hardware 2D-adjustable contrast tuning:

Color Feature Extraction

Digital imaging software greyscale contrast/density-filter greyscale sharpness-filter and blur tool

Dual 2D-adjustable copying extension

ADL + Error Diffusion rasterize algorithms

Light source: fluorescent lamp with constant power output

Optic fixed beam of light, shockresistant, i.e. the machine is impervious to commotions.

Dimensions (WxHxD): 1250 mm x 200 mm x 380 mm (~ 49 inches x 7,9 inches x 15 inches)

Weight: 45 kg (~ 99,2 pounds)

Power supply 130 W (110/220/240 V) / 50 Hz

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
