Agfa Chromapress 50i Level 3 + AGFA Intellistream + AGFA Personalizer-X Full Color + 2x IMPress for Chromapress Imposition + IntelliPrep PR-3 Online RIP + Intelliprep PR-3 Offline RIP

Not New

Press Technology: Xeikon DCP/50D
Digital print: 4/4-coloured in one step

Printing with toner (electrophotographic system)

Materials: uncoated and coated paper, Film transparent to opaque

Grammature: 120 g/qm - 250 g/qm

Application: 1x1 promotion/personalised promotion, banner up to 8m length, poster, brochures, leaflets, invitations, documentations, print on demand from database

Performance Colour/Performance B/W: 100 pages per minute (Duplex) coloured or black and white double-sided - without losing any speed, even personalised and assembled.

The unique **One-Pass-Duplex™** technology from Xeikon minimises the total running time by printing on both sides of the sheet, producing perfect prints in one single pass. This proven technology prevents reprocessing the substrate and guarantees an excellent FTB-Registry.

Our offered machine AGFA Chromapress 50i has the same press technology as Xeikon DCP 50D with an AGFA Workflow including:

- Online RIP type IntelliPrep PR-3/PowerRIP 3

with 3 processing units (original price 26.000 €)

the Online RIP is directly connected to the press

and capable of processing ripped data from the Offline RIP without the need to re-rip. Scope of delivery includes the donglesaved **sheet-assembly-software "ImPress for Chromapress V 2.02"**

- Offline RIP type IntelliPrep PR-3/PowerRip3

with 3 processing units (original price 26.000 €).

with an offline RIP you can dislocate the prepress from the

Chromapress and achieve a higher printing performance.

Scope of delivery includes donglesaved

Digital imposition software "ImPress for Chromapress V2.02" Spatial separation of the printing preparation is no problem.

- Fullcolourpersonalisation for QuarkXPress

(dongle secured - Macintosh ADB Dongle),

type personaliser full color Mac ADB incl.

upgrade to **Personalizer-X V 2.1**

(original price 11000 €)

- Chromapress 50 Intellistream

(donglesecured) (original price 60.000 €)

intellistream combines Hardware, Software

and the compression method developed by

AGFA. IntelliStream has version 2.0,

Personalizer-X has version 2.1.

IntelliStream supports postscript and

jobtickets based on XML.

The version 2.1 of Agfa Quark XTension

Personalizer-X-Software for printing variable

data is also supported, new tools are efficiently

controlling data on QuarkXPress. Without

Intellistream a personalization would not work.

The Intellistream enables the electronical

gathering. You do not need any additional

machine to gather your data!

- XPose/PES (donglesecured) (original price

21000 €) control and diagnosis of the machine

Xeikon DCP/50D devices are:

Xeikon Printtower Chromapress 50i

(original price 25000 €)

Xeikon paper feeder Chromapress 50i

(original price 10000 €)

Xeikon paper output Chromapress 50i

(original price 5000 €)

Xeikon Drum Refurbish Tool to regenerate

the Drums (original price 2500 €)

Xeikon cooling aggregate

Xeikon air humidifier

Xeikon Omnigloss - control of the gloss

The digital print machine has a maximum paper format of 50cm x 8 meters Duplex with 8 printing engines so CMYK for front side and CMYK for back side. Machine is able to cut before reaching 11 meters.

Many users design panoramas, mailings, flyers, art prints, bills, calenders, transfer printings, books and brochures with it.

Data from Chromapress 50i:

* Print tower has a counter of 1.690.000 clicks

* without supplies / to install the system new incidentals will be required, used drums will be delivered for free by us, but new ones are necessary.

The machine is very clean and well kept.

The machine is currently on stock in Dortmund, NRW, Germany.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
