Mobotix D10-FixDome

The network camera row of D10D-dualDome of MOBOTIX is suited with her elegant design for the application in interiors and in facades with high design claim.

The new D10 wall holder ([left] [www.brakensiek.de/navision/ERP/31195/Mobotix_Wandhalter_D10_Mobotix_mobotix_D10Di_Secure_M10m_Basic_M10m_web_M10m_it_M10d_night_M10Mi_Secure_M22_m22_V10D_Sec_D20N20_M22M_SecureCSNight_\(sw_Sensor\)___Webcam_webcam_Livecam_livec.html](http://www.brakensiek.de/navision/ERP/31195/Mobotix_Wandhalter_D10_Mobotix_mobotix_D10Di_Secure_M10m_Basic_M10m_web_M10m_it_M10d_night_M10Mi_Secure_M22_m22_V10D_Sec_D20N20_M22M_SecureCSNight_(sw_Sensor)___Webcam_webcam_Livecam_livec.html) > article number 31195) allows a concealed cable guidance and seals Standard-RJ-45-Unterputzdosen. Besides, he makes from everybody – already weatherproof (-30°C to +60°C) – to D10D camera an IP65-certificated device.

The camera models of the row of D10D-dual cathedrals order in each case more than two adaptable independently camera modules aimable of each other which can be positioned individually in all directions. The single models are available with different objectives. If Fisheye objectives are used in both camera modules in each case, a point of view of 180 ° is reached with the cameras.

In addition, with mega pixel resolution (1280x960 pixels), integrated microphone and loudspeaker, ISDN connection, Bewegungsdetektion, alarm management with prealarm and postalarm, notification about alarms by phone phone call, digital zoom, event-steered recording, switch functions (1x In, 1x Out) and RS232 interface the D10D dual cathedral cameras enclose all proven MOBOTIX functions for a comfortable and professional camera use.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
