

HP Designjet 1050C/1055CM plus

HP Designjet 1050C/1055CM plus

The HP Designjet 1000 plus series delivers unique productivity features, combining amazing image quality, breakthrough printing speeds, ease-of-use and complete unattendedness with the backwards compatible multi-roll feeder.

For CAD designers and GIS users who need to print high quality, large format outputs in order to review, communicate and document their designs, the HP Designjet 1000 plus series delivers the high performance and production speeds expected by large workgroups of 10 or more people.

- The HP Designjet 1055cm plus printer quickly prints stunning, professional images and photo-quality graphics that can make the difference between losing and attracting business.
- The HP Designjet 1050c plus printer delivers high quality communications by processing and printing large-format colour line drawings at impressive speeds.
- The concept of unattendedness is redefined with the multi-roll feeder for the HP Designjet 1000 plus series and the HP Designjet 1000 series combined with the benefits of the modular ink system.

achieve uncompromising line and image quality every time

- Brilliant photo-quality images with printing resolution of true 600 dpi in colour.
- Precise ink placement and addressable 1200 dpi monochrome ensures crisp, sharp lines and text.

fast and reliable large format production printing

- Achieve fast processing with the standard memory of 64 MB, upgradeable to 256 MB for even faster processing and more complex plots.
- The HP Designjet 1055cm plus printer has a built-in 7.5 GB hard disk and the HP Designjet 1050c plus printer has an optional of 2 GB hard disk.
- Ensures high speed printing through one-inch printheads and 512 nozzles without sacrificing print quality thanks to HP Jetexpress technology.
- Get output line drawings in fast mode: 45 seconds (A1) and images in fast mode: 85 seconds (A1).
- Faster data transferring with the new HP Jetdirect 610n print server (HP Designjet 1055cm plus printer only).

increase productivity while enjoying an unparalleled degree of unattended media management

- The multi-roll feeder enables unattended use of different media types and sizes.
- Long-life, self-cleaning print heads mean minimal user intervention.
- Snap-in, large capacity ink cartridges (up to 350 ml) allow for longer periods of printing.

hp designjet multi-roll feeder

- Unattended media management solution
- Continuous unattended printing that increases productivity where high volume printing is required.
- Printing convenience through the simultaneous loading of different media types and sizes

Technische Daten

print technology : HP Thermal Inkjet

printhead nozzles : 512

print resolution : output best

black 1200 x 600 dpi

colour 600 x 600 dpi

line accuracy : ±0,2%

minimum line width : 0,08 mm

print speed : output Type productivity best quality

colour images 13 sq m/h 6,5 sq m/h

*Approximate mechanical printing speeds for line drawings only

colour technology : Colour correction wizard for Windows NT 4.0. CMYK colour emulation (CMYK offset standard colour

emulation, ICC and ICM colour profiles) (standard for the HP Designjet 1055cm plus printer and optional for the HP Designjet 1050c plus printer)

operating systems compatibility : Supported: Windows (95, 98, NT 4.0, 2000, Millennium), Linux, UNIX®, Mac OS (8.1-9.1) OS X (standard

for the HP Designjet 1055cm plus printer and optional for the HP Designjet 1050c plus printer)

network operating systems compatibility : Supported: TCP/IP, IPX/SPX, DLC/LLC, EtherTalk

Optional: HP Designjet 1050C plus: Mac OS (8. 1-9.1), OS X

memory :Standard: HP Designjet 1050c plus printer: 64 MB. HP Designjet 1055cm plus printer: 128 MB

upgrade: 64 MB, 128 MB. buffer: HP Designjet 1050c plus printer: 64 MB. HP Designjet 1055cm plus

printer: 128 MB. maximum: 256 MB. memory slots: 2 DIMM

printer languages : Standard: HP-GL/2, HP-GL, HP RTL, CALS G4. Adobe® PostScript® 3™ (standard for the HP Designjet 1055cm

plus printer and optional for the HP Designjet 1050c plus printer)

media sizes : Standard: A0, A1, A2, A3, A4. custom: 210 to 1189 mm

maximum length media : 9.14 m (roll), 1.62 m (sheet)

media types : Paper (bright white Inkjet, coated and photo) canvas, banners, adhesive vinyl, film, tracing paper, translucent

bond (black only), vellum

maximum print length : HP Designjet 1050c plus printer: 91 m. HP Designjet 1055cm plus printer: 91 m and more; when operating

systems permit, and depending on the complexity of the file

media handling, document finishing : Dual path for sheet feed and roll feed, automatic cutter, optional multi-roll feeder, optional take-up reel

Energieversorgung : Netzanschluss 100 bis 240 V Wechselstrom (±10%, 50 bis 60 Hz ±3 Hz)

power requirements : 200 watts maximum

interface and connectivity : Standard: Centronics parallel, IEEE 1284-compliant (ECP), HP Jetdirect 610N

optional: HP Jetdirect 10Base-T EIO network card, HP Jetdirect 10Base 2/10-T/LocalTalk EIO network card,

HP Jetdirect Token Ring EIO network card, HP Jetdirect 10/100Base-TX EIO network card

drivers included: Microsoft Windows 95, 98, NT 4.0, 2000, Millennium, AutoCAD 13 (Windows 95, NT 3.51,

4.0), 14 (Windows 95, 98, NT 4.0, ME), AutoCAD 2000 (Windows 98, ME), TIFF and JPEG files accepted

from UNIX, Linux and Microsoft Windows NT4.0 via ZEHRaster Plus software. PostScript for Microsoft

Windows: 95, 98, NT 4.0, 2000 and Macintosh v. 8.1- 9.1 i (HP Designjet 1055cm plus printer only)

software supported : Microsoft Windows AutoCAD drivers 13 (Windows 95, NT 3.51, 4.0),14 (Windows 95/98/NT3.51/

NT4.0, 2000, Me). AutoCAD 2000 (Windows 98, ME) Windows drivers: 95, 98, NT 4.0, 2000,

Millennium. UNIX software: supports TIFF and JPEG through ZEHRaster. Adobe PostScript 3 drivers

(HP Designjet 1055cm plus printer only)

dimensions (w x d x h) : (B x T x H) 1.566 x 675 x 1.290 mm

product weight : Out of package: 81 kg. packaged: 157 kg

operating environment : Environmental ranges operating temperature: 15 to 35° C, operating humidity: 20 to 80% RH,

recommended operating temperature: 22 to 26° C, storage temperature: -40 to 70° C, noise level per ISO 9296

sound power: HP Designjet 1050c plus printer: 68 dB(A), HP Designjet 1055cm

plus printer: 68 dB (A), sound pressure: 54 dB (A)

ENERGY STAR: YES

certifications:Compliant with: EU (EMC directive), USA (FCC Rules), Australia (ACA), New Zealand (MOC), Canada (DOC),

and, China requirements for Class B Products (Class A when connected to LANs), Japan (VCCI registered)

Korea (RRL) and Taiwan (BCIQ-certified).

regulatory standards: IEC 950 compliant, Safety UL listed, EU LVD & EN 60950 compliant, NEMKO

approved, Certified by Canada CSA, Mexico NOM-1-NYCE, Czech Republic EZU, Singapore PSB,

Russia GOST, Poland PCBC, China CCIB.

warranty : One year warranty includes next-business-day, on-site support and service for your printer, by HP trained

technician. Also Web-support, telephone and E-mail support. With HP Support Packs you can extend your warranty or even enhance the service level to meet your personal service and support requirements.

optional: Installation and network configuration H4518A/E, 3-year next-business-day on-site support H5655A/E,

3-year same-business-day on-site support H2816E, 3-year advanced maintenance service (annual check)

next-business-day on-site pack H4582A/E, 3-year advanced maintenance service (annual check)

same-business-day on-site pack H4630A/E, 1-year post warranty next-business-day on-site pack H4608PA,

2-year post warranty next-business-day on-site pack H3627PA
