

Colorgate Proof Modul

BRAKENSIEK®
SYSTEMHAUS

ColorGATE proof module (PGM)

Additional service areas are equipped with this system enhancement simplicity itself.

Legally binding digital proofs on the basis of a licensed media wedge. According to guidelines of FOGRA and bvdm and recommendations of the ECI according to industry standard printing (ISO 12647-2). The PROOF module extension allows you to: Calibrate simply by the expression control strip using a meter and check for compliance with industry standards.

ColorGATE - for every solution the right product

Several ColorGATE Production Server 4 modules are available as standalone software package:

Proof Gate 4, the standardized digital proofing solution for greater reliability and security in the proof production. Unique in the world with licensed FOGRA media wedge to create legally binding digital proofs.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
