ColorGATE screen printing prepress

- Chemical-free film imaging and proofing on inkjet printers
- Unique flexible light-production
- Perfection in association with Production Server 4

FILMGATE technology - the ultimate gateway to a whole new service offerings

Flexible and cost-produce movies like never before

Make the digital printing world and its ColorGATE FILMGATE software technology, it instantly possible to create the inkjet printer halftone screened film templates for commercial screen printing or offset applications. With extremely high density, without chemicals, without exposure, without further investment.

Extra Strength: FILMGATE module (expandable to the scanning and color-accurate proof print screen world first module), the power add-on to the platform-independent management of the Production Center Server 4 Proven time: film gate 4, technologically leading in-house film production as a stand-alone software.

Advantages of the technology FILMGATE

SCREEN FILM - produce a class of in-house

What matters is what really counts. With SCREENFILM ColorGATE now offers the ideal medium for high-end overhead screen productions.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
