Daitem D14000 radio outdoor siren

Not-new

Dimensions (H x W x D): 245 x 247 x 102 mm

The siren is installed in prominent outdoor and deters potential burglars there at first. In an emergency, they chased away the intruder by its volume and informs the neighboring community. The siren can be triggered on the alarm control panel or on the emergency button on the transmitter.

Volume: 115 dB (A) / 1 m

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
