

# Tandberg Data SLR7

## Tandberg Data SLR7

The Tandberg MLR SLR7 with its technology provides a powerful backup solution for professional network environments and midrange systems, and with the appropriate backup software across operating systems and verknüpfend.

With its attractive price-performance ratio is the most attractive product in the SLR7 20/40 GB segment.

TANDBERG DATA streamers are used under nearly all operating systems and hardware platforms. It is controlled via a high-performance SCSI interface.

First and foremost, certainly the issue of data protection and archiving SLR7 is one of the main applications of the Tandberg. However, areas such as servers in the midrange, workstations for CAD / CAM and Bildbe and processing ideal for the medium band.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
