

sparepart for the Hell Chromagraph 399 90-92 Equinox Tech ColorFast 100

We possess a LinotypeHELL Chromagraph 399 drum scanner with a scsi interface so that we can scan to file.

The scsi interfaceboard has had a major failure and we are trying to source a replacement and were hoping you might be able to help.

There is a serial number on the interface card - SN 01273 Copyright 90-92 Equinox Tech ColorFast 100. I have attached an image of the board.

Does anyone have this sparepart for the Hell Chromagraph 399

Please only contact us via our registration form and only if you are a business person yourself.
