

# Knock N'Lock G3 Versatile Lock VL463

### **Knock N'Lock G3 Versatile Lock VL463**

The VL463 Knock N'Lock™ Versatile Locks are ideal for securing all types of cabinets, containers, and doors. Due to the fact that this lock is fitted internally and has no contact points to the outside, its existence and location are not visible from the outside which provides maximum security. This lock is easy to install and it has no wires. A mechanical unlocking button is fitted on the lock.

Size: L: 185mm W: 32mm H: 30mm

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
