

comlock 410 door module Surface mounting

comlock 410 door module Surface mounting

VdS class C (G 106 070)

suitable for intrusion detection systems to
DIN EN 50131-1

The comlock 410 door module is used for connecting all the peripheral units of an access door via the com2BUS of the complex 200H/400H intruder alarm system (EMZ). This allows the easy connection of components from far-away doors to the EMZ. The com2BUS only requires 4 wires. Up to 8 comlock 410 door modules can be connected to one EMZ. Surface mounted and concealed (in-wall) housings are available. The configuration is done via the complex 200H/400H EMZ using the compasX configuration software.

- 1 interface for comlock/cryplock readers
- 5 freely configurable inputs, of which 1 detector group can be reset for the connection of glass break detectors
- 5 freely configurable outputs
- 1 floating output for door opener
- Connection of a transceiver for the wireless control of a SimonsVoss digital cylinder lock

comlock 410 door module in a plastic housing for surface mounting.

- Surface mounting type
- Protection against environmental influences acc. to VdS 2110 class II
- Operating temperature 0 °C to +50 °C
- Protection type IP 40
- Housing made of ABS synthetic material
- Dimensions (W x H x D) 75 x 115 x 27 mm
- RAL 9016 traffic white
- Standby power consumption approx. 10

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
